

REMARKS/ARGUMENTS

I. Request for Information Under 37 CFR §1.105

The Applicant hereby provides a signed declaration informing the Examiner of the publication history of *Rocket Phonics*. The book *Rocket Phonics* was used to draft this application, along with oral statements from the inventor. All technical information known to the applicant concerning the related art was disclosed in Figures 1-5 of the submitted patent application as prior art disclosure and its relevance was discussed in the specification.

The Applicant's attorney spoke to Examiner Gebremichael on July 15, 2009, who informed the Applicant that he could mail a physical copy of the book *Rocket Phonics* to the patent office in accordance with any instructions provided by the USPTO. The Applicant's attorney also spoke to a USPTO Customer Service Representative Ref# 1146233317, who instructed the applicant to send the physical copy of the book *Rocket Phonics* by express mail to the following address:

USPTO
Customer Service Window
Randolph Building
401 Dulany Street
Alexandria, VA 22314

The Applicant is concurrently mailing a physical copy of the book *Rocket Phonics* that was first publicly offered for sale on August 8, 2002 to the aforementioned address.

If the Examiner has any more questions or concerns, the Examiner is invited to call the prosecuting attorney at the contact information below.

Respectfully submitted,
